

Fall 2009 Crafters Catalog

Florida Etsy Street Team

What is the Florida Etsy Street Team?

FEST is a group of independent Florida artists, crafters and/or artisans who have shops on the indie/handmade Web site Etsy. If you haven't heard of Etsy, it's like eBay for handmade items ... without the hassle of bidding. Etsy showcases some of the best handmade stuff out there today — and the Florida Etsy Street Team brings that to you, Sunshine State style.

So grab your sunscreen and dive on in. We hope you see something you like.

Inner Muse Jewelry Designs

Inner Muse Jewelry Designs are handcrafted, unique pieces created by Tammy Bowman of Tampa, FL. My designs incorporate seed beads, semiprecious gemstones, vintage Lucite and glass beads, lampwork focals, metals and fibers. I use various bead and chain weaving techniques to create jewelry that is wearable and artistic. In addition to my own designs, I'm happy to accept custom orders. I hope you enjoy wearing my jewelry designs as much as I love creating them for you!
